Contact Group of Illicit Maritime Activities (CGIMA) 3rd Plenary Session

INVITATION

24 July 2026, Mauritius

Dear Members of CGIMA,

You may recall, the Members of the Contact Group on Illicit Maritime Activities (CGIMA) had decided to meet in plenary sessions annually and whenever the need arises.

The circumstances with respect to maritime security, possible future evolution and impact to the region and worldwide warrant a plenary session at the earliest.

It, therefore, gives me great pleasure to invite the members and partners to a plenary session of the CGIMA to be held on the 24th July 2026 in hybrid format in Mauritius at a venue to be finalised soon. Please find herewith attached the agenda.

Please accept, dear CGIMA Members, the assurances of my sincere consideration.

Maj. Gen. Michael Rosette
Chief of Defence Forces
Chair of the CGIMA
